# Bloom *our own "Yummy Mummy"!*

Looking voluptuously pregnant when showing off her swelling shape in cleavage enhancing collections, *Bloom* has a magnificent 6 to 7 month swell. She works well in low-cut, tight fitting and cropped fashion merchandise, but is equally at home in a simple white t-shirt and ultimate-cut maternity jeans. Figures in this collection can be ordered with any of the three arm positions, which are fully interchangeable.

*Bloom* promises to be the perfect balance between sexy mama and practical clotheshorse
